September/October 2008

10-4 Day

On October 4, we accepted the invitation of Councilmember Tom LaBonge for his annual 10-4 day parade. We joined a number of other owners of restored, or replica police cars and made a code-3 pilgrimage to Broderick Crawford's star on the Hollywood walk of fame. A brief ceremony was conducted at the star, then everyone retired to the LAFD museum for a slice of cake that featured likenesses of Crawford and his vintage CHP cruiser. Councilman Labonge expressed his thanks to all of the public safety folks in and around the City. The Councilman has long been one of LAPHs' most respected partners, and we thank him for looking out for the public safety family.
