TV cops from *CHiPs*, *Hunter*, and more will join the police vehicles from their iconic shows in the 10th annual 10-4 day parade this Friday in Hollywood. Cars from *Knight Rider*, *Adam-12*, and *Starsky and Hutch* will gather at old [Firehouse 27](#) on Cole Avenue at 12 noon. The caravan will make a patrol with lights and sirens (Code 3!) to the Walk of Fame star of Broderick Crawford, star of the 1950's series *Highway Patrol* where much speechifying will take place. Maybe the Batman and Joker at the Chinese theater will go rogue and we'll get a glorious chase scene down Hollywood Boulevard.
